

Not Sure How to Write a Book Review?

Here are some helpful questions to get started!

Things to Ponder

What was the story about?

Who were the main characters?

Were the characters believable?

Did the main characters run into any problems?

Who was your favorite character? Why?

Your Personal Experiences

Could you relate to any of the characters?

Have you ever had a similar experience?

Your Opinion

Did you like the book?

What was your favorite part of the book?

Your Recommendation

Would you recommend this book to another person? Why or why not?
