Harry Potter and the Prisoner of Azkaban

Recipe for Butterbeer:

- 1 cup (8 oz) of club soda or cream soda (in my opinion cream soda was better)
- ½ cup (4 oz) of butterscotch syrup (the ice cream topping)
- ½ tablespoon butter (OPTIONAL)
- 1 tablespoon of Cool Whip or Reddi Whip (OPTIONAL)

Directions:

For Warm Butterbeer for 2:

Step 1: Measure the butterscotch and butter into a 2 cup (16 oz class) glass. Microwave on high for 1-1 ½ minutes or until syrup is bubbly and butter is completely incorporated (butter is optional - you can just heat up the butterscotch until bubbly).

Step 2: Stir and cool for 30 seconds, then slowly mix in soda. Mixture will fizz quite a bit.

Step 3: Serve in coffee mugs or small glasses, with a Cool/Reddi Whip topping for a perfectly warm Hogwarts treat!
