January 2026

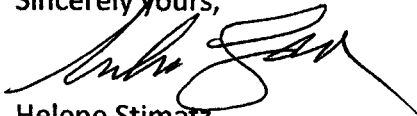

Dear Graduate:

The purpose of this letter is to announce that the Friends of Sachem Library is offering two scholarships this year to graduating seniors who live in the Sachem School District

Each scholarship will be in the amount of \$500 and given to a January or June 2026 graduate who plans on continuing their education. Since we are affiliated with the Sachem Public Library, we have asked for an essay on the topic "What personal experiences in life have prepared you for the challenges of the world today."

We are attaching a Scholarship application and an activities verification form. Directions for applying are included on these forms. The scholarships will be awarded only if all requirements are met. All applicants must have a current Sachem Public Library card and the number must be included on the application form. If you have any questions, please contact the library welcome desk and leave your name and number. 631-588-5024
